

WHY HCA?

"Attending Catholic school changed my life. I know first-hand how a true Catholic education prepares you for your life's work and purpose. Today's youth need a school like HCA more than ever."

-Charles "Pete" Baker, Donor

"I love teaching at HCA because I believe all history centers on Jesus Christ and here I can integrate my faith with my love for history."

-Barbara Rudd, Teacher

"HCA has been a true blessing for all our children. The friendships with their classmates are life-long. The low teacher-to-student ratio allows each child to receive personal attention and instruction. Most importantly, the seeds of faith planted in our children's souls are growing stronger and more vibrant each day."

-Pat & Joann Collins, Parents

What is the HCA ANNUAL FUND?

The short answer...it keeps the lights on!

The long answer...tuition only covers a portion of the true cost of an HCA education. As a private school, HCA does not rely on State or Diocesan funding.

We rely on you.

Your generous support will be used to provide funds for student scholarships, faculty salaries and benefits, textbooks and supplies, student activities, and the maintenance and operation of the Academy's facilities.

The HCA ANNUAL FUND seeks to raise **\$120,000** from July 2011 - June 2012.

2011-2012 FUNDING PRIORITIES

- TUITION ASSISTANCE

We believe an excellent education must be affordable to all families.

- STUDENT ACTIVITIES

We believe that our students benefit greatly from participating in robust athletic programs, an energetic music curriculum, and dynamic field trips for all grades.

- FACULTY DEVELOPMENT & RETENTION

We believe that outstanding teachers and staff make an excellent education possible. Hiring, developing and retaining high-quality and experienced teachers will ensure the vitality and continued success of HCA.

- SCHOOL SUPPLIES & FURNISHINGS

We believe that our facilities must be conducive to our mission and purpose. Necessary upgrades and investments this Academic Year include:

- Band Instruments: Saxophone, Trumpet, Clarinet
- Art Dept: Electric Pottery Wheels
- Chapel Furnishings
- New Entrance Sign
- Student Desks
